Ray's Remarks:

Hello brethren!

It's that time of the year and it is finally feeling cold, cold, cold. In fact, today we see some snow flurries again and according to the weatherman, we might have more cold weather and a winter mix this weekend. I do love the snow as most of you know, but the bitter cold is not one of my favorite things for sure.

Well, I'm happy to say that the school in Ghana has resumed classes. They started last Thursday and all but one student made it back. Things are going well in Ghana and we are thankful for the good work our brethren are doing there.

We have also decided to send our students in Uganda to Zambia to complete their training. They only lacked around 6 months of studies. So, we can send them to Zambia and finish their studies and give them their diplomas. It will be good to have these men's education finished as we continue to work on the problems in Uganda. Please keep all these things in your prayers as we are staying busy in the work of the Lord throughout Africa.

I'm also excited to say that things are coming along well for the new facility in Ndola, Zambia. We should be in good shape to start the school in the middle of February. We really appreciate all of brother Webby's hard work to get the construction done and the school ready for usage. Here is a picture of the structure so far.

Finally, let me say that we are all very happy about Sister Nancy Kelly's quick improvement and how well she is doing after her surgery. Let's continue to pray for her and Lord-willing she will be back with us soon.

I hope you all continue to have a great week. Remember to put God first and be present for our mid-week gathering. There is no greater place we could be than with our beloved brethren, giving this time to God. I love you all and God bless!

The Everlasting Name of Jesus Christ

Your name, O LORD, endures forever, Your fame, O LORD, throughout all generations. For the LORD will judge His people, And He will have compassion on His servants. (Psalm 135:13-14)

His name shall endure forever; His name shall continue as long as the sun. And men shall be blessed in Him; All nations shall call Him blessed. Blessed be the LORD God, the God of Israel, Who only does wondrous things! And blessed be His glorious name forever! And let the whole earth be filled with His glory. Amen and Amen. (Psalm 72:17-19)

Elders' Corner:

Greetings brethren,

We hope the New Year has been kind to you. I know many, me included, have been dealing with seasonal illnesses and maladies. It was good to worship our Lord this past Sunday on the first Lord's Day of 2024. Our God has blessed us with another year of life; let us all endeavor to be good stewards and make the most of it. We were encouraged by those who completed their daily Bible reading last year. We appreciate sister Edith Sullins' efforts each year to make sure we make reading our Bibles a priority. There are signup sheets in the building for those wishing to take part in 2024.

Our annual Chili Cookoff and Game Night will take place this Friday evening at 6:30 pm in the fellowship hall. There is a signup sheet on the foyer table for those who are bringing chili, desserts, etc. If you haven't attended in the past, we encourage you to do so. We will be sharing Christian fellowship, food and fun.

Remember those on our prayer list. Nancy Kelly is doing well after her back surgery and is now home. John Martin, the Lees, Mary Patchell, Laurie Slider, Gary Dalton, Edith Sullins and others are struggling with on-going health issues. Please take time to remember them in your daily prayers.

As we enter into 2024, we cannot know what trials, struggles and challenges lie ahead. However, we can know with certainty that our God will be there for us. Remember the words of Paul found in Philippians 4:13, "I can do all things through Christ who strengthens me."

We look forward to seeing you at our next scheduled assembly.

David, Jerry and John
