Bulletin

Ray’s Remarks:

Hello dear brethren,

I hope you are well and that your week is going well, too.

This cold weather is something else. I had almost forgotten how cold it can get around here, but lately we have had some stark reminders.

Well, I hope everyone is remembering our dear family who have lost loved ones recently. We sure love Larry and Mark and all their family and are still praying for them daily. We also have others who are dealing with continued health issues. Let’s remember Gary as he still is recovering from his surgery and also sister Nancy Kelley after her shoulder replacement surgery. My mom is also still waiting to get her eye surgery completed. Keep them all in your regular prayers.

We are in a new year and a lot of great things are happening in Africa with our schools. We have our school in Ghana starting on February 3. Because the school is starting and I need to deal with a few matters in Ghana I will be traveling there for about a week and then I will go on to Kenya as we are trying to find a new location for our Uganda school in Western Kenya. I will be gone about 18 days. Also, let me say I appreciate you all and your love and support of the Global work, as we continue to oversee these great works of the Lord in Africa. I know God will continue to bless us all.

We are so blessed at Kansas Expressway to have so many great preachers in our midst who are willing and able to help as we all get the work of the Lord done here and in Africa. It is so exciting to see all the continued opportunities God has laid before us and we are thankful for the privilege of striving to help the lost of the world know our Jesus.

Well, I hope you all have a great week and I look forward to seeing you all this coming Wednesday for our mid-week gathering.

Remember, keep putting God first and you will never regret it. I love you all,

Ray Sullins

Elders' Corner:

Dear brothers and sisters,

It is always a joy to be together each week with you all as we worship our God and Creator. As well, I enjoyed the thought provoking and edifying lessons we heard from Ray and Brent. It is sad to see all the confusion people experience with the scriptures, to the point that we have so many different denominations, and that even inside the Lord's church, there is division caused by confusion with the scripture. The eldership at Kansas Expressway is very much dedicated to ensuring the sheep here at KE are not led astray and confused by others, but that we are healthy, nourished and properly cared for. Our desire is to be good shepherds here at KE and that we imitate the good Shepherd, Jesus Christ. I was also able to connect to Brent's story about getting lost in the store as a young boy. Tiffany and I experienced a similar situation with Owen when he was around 5 years old. While it was a scary experience for us, Owen didn't even realize he was lost and missing. That reminds me of some in the church who have left their faith, gone back out into the world and are once again lost, and they don't even realize they are lost. I pray that this year, we each might make a special effort to seek out a brother or sister that once was a part of our congregation, but has forsaken the assembly and are once again lost. While that is one of the responsibilities of the eldership, and the eldership understands the grave importance to reach the sheep that have wandered off and are now lost, it can also be even more meaningful to the point we can prick someone's heart, when we show our lost brothers and sisters our concern for them, when we express to them how much we miss them now that they have left the fold.

I wanted to make mention that the 2025 Youth Devo sign up sheet is posted in the back. Please sign up to host our youth one night this coming year. I assure you, they are a great group of teens, and you will definitely feel encouraged and strengthened to spend some time with them and host a youth devo. The singing is excellent! Please, show your love for our youth, show your desire to connect with them by hosting a youth devo sometime in 2025!

May the Lord keep you till we meet again,

John, Jerry and David
