K.E. FAMILY LIFELINE

February 23, 2025

Bulletin

Ray's Remarks:

Hello brethren!

It is so wonderful to be home and to have been back with my K.E. family just yesterday.

I have certainly missed you all and it is always a blessing to see you when I return from our mission trips. I want to again say thanks to all of you for your prayers while I was gone. It means so much to me. I also am thankful for the many of you who helped financially with the trip. It always helps a lot to have the extra funds to take care of the expenses that come up on the trip. Thank you again dear brethren.

Today has been a catch up day for me. I try to make sure that I get ahead before I go on a mission trip and do a pretty good job. When I get back it takes a few days to be completely caught up but I have gotten a lot done today.

The work with the Global Schools is going so well and we are so blessed. It is amazing to see the way God is blessing our work and how so many more souls are hearing the gospel of Christ. Can you image, around 100 men being trained to be gospel preachers at any given time? And the Lord only provides more opportunities and possibilities to do more in the future. I appreciate the love and support of my wonderful K.E. family in the work that I do with you all. Together we are doing so much for the Lord and we have every reason to be proud of the things we are doing and thankful for the opportunity to do it for the sake of the Lord. I know we will not grow weary in doing good and I pray that we will have the strength, vision and willingness to accept every opportunity and challenge God sends our way.

Brethren, let me also remind us of our family who are not doing so well. Especially John Martin, he and Judi continue to struggle with their health. Also the Lees I know continue to have ups and downs. Also remember my mom as she is going in April to be assessed for the heart valve repair. We also know that our sister Marcella is still recovering from her recent health issues. Brethren we always have so many who need to be remembered regularly in our prayers so let's not forget them.

Well, I hope to see you all Wednesday for our mid-week services if the weather cooperates. I love you all and know that God will continue to richly bless us as we put Him first in all things. Have a great day.

Ray Sullins

Thank You:

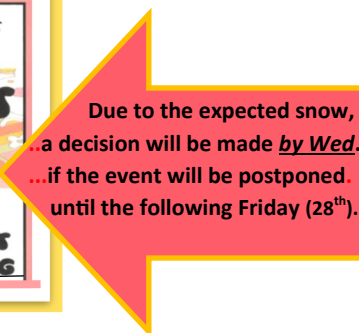

This week, a great expression of love was delivered to our house to encourage Edith during this period of serious health problems. Edith and I want to sincerely thank the ladies of the K.E. congregation for the tub full of gifts, candies, cards, etc. delivered to our door this week. Edith and I agree that we have some of the most loving and lovely Christian ladies that we have ever known in the church. Heartfelt thanks to all of our Christians ladies for their outpouring of love to us. -Edith and Jerry

Elders' Corner:

This week we will be having weather conditions that are extreme during this time of the year. By the time you receive this newsletter we will be the middle of extreme cold days and nights and plenty of snow. We will keep you posted on any updates on class times or periods of worship. Be careful! Don't put yourselves in danger of accidents or physical injuries during these few days of EXTREME weather.

Many of our congregation are suffering from ongoing or upcoming health issues. Marcella Wake is struggling with many health problems that are very serious in nature. John Martin is in and out of the hospital on a regular basis and Judi is also suffering from health problems but is making progress towards healing. Gary Dalton is adjusting to his foot surgery but is doing better. Richard Medley is in recovery after having shoulder surgery. Edith Sullins will soon have her lens put back in her right eye and is also dealing with a heart condition. Clyde Heavin is dealing with a serious eye condition. Many of our families are dealing with seasonal health problems. Prayers are needed for our loved ones in Christ as well as cards and visits and loving care. Fervent prayer by righteous people will bring blessings of better health from our Father in heaven.

Ivie Powell, a great preacher and servant of God has passed from this life after a long battle with cancer. Our prayers are extended to his family over the loss of their loved one.

Bible readers, it is not too late to sign up for reading the Bible through in 2025. Join us in learning more about the greatest Book on earth, the Word of God! It's not too late for you to sign up for this endeavor.

You'll be missed by your fellow Christian brothers and sisters in Christ when you fail to come to our Bible classes and periods of Worship. Why not change your pattern of attendance and make a full commitment to God to always be here, as the Lord wills.
