Bulletin

Ray's Remarks:

Hello brethren!

I hope you all are having a good week. I also hope you are enjoying this beautiful weather we have been having. I know that I am!

It sure is a blessing to be home! I think I am finally getting settled back in to things after returning from Africa. It often takes a while to get back to normal, but I think I'm almost there. The only thing I am still trying to get adjusted to is the time change. In fact, at about 7 pm each evening, I start getting really tired and have a hard time staying awake much longer. However, little by little it is getting a little later each night.

We are wrapping up another quarter at the BIM. I can't hardly believe it, but we are about to start our last quarter of the year and before we know it we will have another graduation. We have a group of really fine men who will be graduating this time and I am excited about their future in the Kingdom of God. Please keep T-Roy, Roy, Tyler and Colin in your regular prayers as they make decisions concerning their life and where they will serve God.

We are currently beginning to schedule the installation of some of the new flooring at the church building. We will start with the hallways and foyer and then we will move to the auditorium. We ask for everyone's patience while we work through this process over the next few months. I also ask many of you to remember that we will need some help and volunteers to help move things and pews to get areas ready when needed for carpet installation. Please let me know if you are able and available to help with this need over the next few months. Thanks in advance for considering helping with this.

Well, I hope to see you all at our mid-week serve this coming Wednesday. It is also a great blessing to gather as God's people and to worship Him. I know you will want to be present and ready to give God your best. The fact is, there is no greater place to be on Wednesday evening than with your brethren at K.E. worshipping your God. See you soon. I love you all and may God Bless!

Elders' Corner:

Greetings brethren. It is a privilege to work alongside you in the Kingdom as we strive to be "good and faithful" servants. We appreciate your willingness to be involved and to answer the call. Our goal is that we may all one day receive our eternal reward in Heaven. It was good to see all of you this past Sunday; we had many visitors and a good attendance. We encourage all of you to take note of our visitors and make a special effort to meet and visit with them. If possible, ask them to fill out one of our visitor cards if they haven't already. This will allow us to follow up on their visit.

We are pleased to let you know that we should be starting in the coming weeks on our flooring project. The project has been divided into five parts, those being the auditorium, the main hallway and foyer, classrooms and offices, the fellowship hall, and the stairs/upstairs classrooms. We currently have funds to start, and the elders have decided to begin with the auditorium and main hallway and foyer. It will likely be a month or more before materials arrive and work begins. To keep costs down, we will be responsible for moving and reinstalling the pews in the auditorium. We will keep you posted on timelines and when your help will be needed. We appreciate Ray's efforts helping us find a supplier and finalize terms.

We have many who need our fervent prayers in connection with their health. Sister Edith has a heart test scheduled today, keep her and Jerry in your prayers. The Ewings, Lees and Martins, as well as Mary Patchell, Mary and Maegan Sanders, and others, are all deserving of our fervent prayers on their behalf. Do not forget them in your daily prayers.

The Men's Breakfast will be this coming Saturday morning at 8 am. There is a signup sheet on the foyer table. Also remember that Daylight Savings Time begins this coming weekend. Don't forget to set your clocks ahead an hour when you go to sleep Saturday night.

We appreciate your zeal in doing the Lord's work both locally and abroad. We are blessed to have capable men like Ray, Brent and Trey working with us; men who stand on the truth found in God's word. We look forward to seeing you at our next scheduled assembly.
