Ray's Remarks:

K.E. FAMILY LIFELINE

Hello brothers and sisters!

Wow, the weather has been really nice this past week or so. We might not be completely out of the cold stuff, but for now it sure is nice to be enjoying this warmer weather and all the sun. It sure lifts our spirits and makes us enjoy our days more. I noticed on Sunday that everyone seemed to be upbeat and happy and no doubt a lot of this is due to the weather finally getting nice again.

Another thing it is time for is mowing. After that last rain we had, the yards are growing quickly and turning green really fast. My yard is already ready for the first mow, but I may wait a few days or a week before I get out the mower for the first time this year. It's hard to believe that we are only a few days away from the first day of Spring. However, I am sure ready for it.

We are certainly blessed as a family of God at K.E. We continue to have our prayers answered according to our desires as many of our family continues to improve in their health trials. I am also very thankful that my mom is making improvements in the hospital and has received a much more encouraging diagnosis with more options to help her, since they are beginning to turn things around. We thank God that she is looking better and starting to return to herself. Thanks for all the love and prayers you all continue to show. We love you all!

I am excited to say that we are about to see some new flooring going down within the next several weeks. A deposit has been put on 2 of the 5 areas which need to be completed around the building and as soon as the flooring arrives we will begin to see it put down. At this time the installers want to start in the auditorium and begin to move toward the foyer and then down the halls. As I said this will cover the first two phases of the flooring installation. Soon the elders and I will be giving more details about the total cost— what the elders have been able to cover so far with the money on hand, and then they will no doubt want to challenge us all to give a little extra in order that we might be able to go ahead and finish the flooring throughout the entire building. I know many of you have already asked me about this and are willing to consider this need, so hopefully it will be presented soon.

Well, I look forward to seeing you all on Wednesday for our mid-week service. It will be exciting to gather as God's people to study His Word and to be encouraged as the family of God. May God continue to bless us all as we do His Perfect Will. I love you all!

Elders' Corner:

Good News! In two to three weeks, we are scheduled to begin the installation of the new flooring in our building. The first carpet will be installed in the auditorium and adjoining classrooms and the foyer and hallways. This will be the first phase of the completion of the flooring in the complete building which will even include the upstairs classrooms. We will be calling on assistance from the members for help in some of the preparation that needs to be made to put down the flooring. We will keep you updated as soon as we have a definite date set for the work to begin.

Remember our sick who need encouragement and prayers. Edith is in the hospital and is making strides to prepare for a possible procedure in the near future to repair a valve in her heart. She will soon be transferred to a Rehab facility for further treatment. Don't forget to remember in prayer others in our congregation who are dealing with health issues such as sister Laura Heavin, Meagan Sanders, the Lees, John Martin, Mary Patchell, Wesley Ewing and others. Life brings these challenges from time to time to many of us. Remember, the true source of comfort is in Christ our Lord.

March 15th is game night here at the building. Many come to enjoy a fun time together. Don't miss this opportunity to enjoy the great fellowship we have in the Lord.

Prayers are needed for our works in Africa, especially the work in Uganda. Some are suffering for the advancement of the Kingdom in Uganda. They need our prayers.

Our attendance is increasing and our spirit in Christ is growing stronger. Let the love of Christ continue to rule our hearts!

Jerry, John and David

Blessed be the God and Father of our Lord Jesus Christ, the Father of mercies and God of all comfort, who comforts us in all our tribulation, that we may be able to comfort those who are in any trouble, with the comfort with which we ourselves are comforted by God. 2 Corinthians 1:3-4
