Elders' Corner:

Brothers and Sisters-in-Christ:

"Let the redeemed of the Lord say so.." Psalm 107:2 A beautiful message concerning how God had cared for His own chosen people. We are his chosen people in this age, blessed with salvation provided for us through obedience to the Gospel. Now it is our special privilege being "the redeemed", to tell others about the love of God and how His desire is that all on this earth be saved through the Gospel. Our upcoming Lectureship begins this coming Sunday morning. The theme is: *God's Plan For Evangelism*. It is our hope that this series of lessons will not only enlighten us as to our responsibility to Evangelize but also to motivate us to renew our efforts in this most important work of a Christian. The lost are all around us everyday and they need the Savior. Why not make the decision now to be at every lecture. Our God needs everyone of us involved in the ministry of Evangelism.

This coming Saturday, we will be having an Open House at BIM. This is a special day in that we have invited prospective students to come for an introduction to the school. If you know of any brother who might be interested in coming to BIM please encourage him at this time. The day will begin at 9:00 and will last throughout the morning. Lunch will be provided. We are anticipating a good number of prospects to be present for the open house.

Don't forget the sick on our prayer list. Many are experiencing improvements but others are facing difficult times ahead. they need our love and concern.

Special prayers for the passing of Glenda Slaughter's daughter this past week. Loosing a child is a very difficult time in a parent's life. May God bless Glenda with comfort during this time of bereavement. Please pray for Laurie Slider's comfort and the promises God offers in the passing of her mother last Sunday.

Our renovations continue in the carpeting of the building. We are thankful for the assistance of the congregation in helping with the renovations in the auditorium. We are still short on funds to do the complete the job. Any help will be greatly appreciated in the financing of the project. We will have more to present to you about this need in the near future.

May God bless you all as we strive to do His will. Our hope and prayer is that we will have the support of all of our members by their attendance to every session of our Lectureship.

Jerry, John, and David

Elder on Call for April: David Fielder
