One Church...

...that we should no longer be children,
tossed to and fro and carried about with every
wind of doctrine, by the trickery of men, in
the cunning craftiness of deceitful plot-
ting, but, speaking the truth in love, may
grow up in all things into Him who is
the head-Christ- from whom the whole
body, joined and knit together by what every
joint supplies, according to the effective
working by which every part does its share,
causes growth of the body for the edifying of
itself in love." Ephesians 4:14-16

Elders' Corner:

As God's children, life brings a lot of challenges to us
all in our interpersonal relationships in our families
and in the family of God. In all these challenges, the
Lord Jesus has given us insight and instruction as to
how to settle our differences. Matthew 18:15-17. When
we bypass this instruction, many sins can be produced
in the situation that exist and the differences may nev-
er be solved. My brethren, let us put into practice what
we have been taught from God's Word and then we
will see the love of Christ restored in our relation-
ships.

Remember in our prayers our loved ones who need our
encouragement and prayers. Sister Alice Drake is now
in recovery after surgery and is doing well. Marcella
Wake had a successful procedure recently, which was
successful. Rosemary Medley is still struggling with
her injury to her shoulder. Edith Sullins is rescheduled
for her Heart test in Kansas City on May 16th. Many
others of our number are dealing with health prob-
lems. All are in need of our love and concern.

The continued carpet replacement is scheduled to re-
sume very soon. Remember, the challenge that is be-
fore us to complete the flooring of our entire build-
ing. We have set the date of My 19th to challenge the
congregation to help with the remainder of the funds
need to complete the project. If all of us do our part,
we can get this project completed before the summer is
over. If you would like your contribution to be applied
to a certain portion of the flooring please let us know
and your contribution will be used as desired. We ae
hoping to recarpet the upstairs classrooms so that we
can begin to use them now and in the future. One of
the upstairs rooms is now being used as a room for
clothing which we are going to clean it out and again
use it for a classroom. Thank you for considering help-
ing with this project.

May is a month filled with activities. We will keep you
posted on all events. May God bless us all as we strive
to do His will.
