Ray's Remarks:

Hello beloved brethren! We have been blessed with another week of life and how wonderful it is to be children and servants of God. We certainly serve a loving and caring God and this is evidenced in all the many blessing we have around us each and every day. Life moves forward at such a fast pace, I hope we are all striving to make the most of it and I hope that we are all giving God our best. Certainly our God is worthy of nothing less.

I can hardly believe that we are in the week of graduation for our student at the Bible Institute of Missouri. These two years have flown by and now we have 4 more men going out unto the fields to be laborers in the vineyard of the Lord. As I have said before, I am so proud of these good brothers for their hard work and their willingness to give God their best in all things. I know the Kingdom of God is going to be far better having these men as a part of the work force in God's Kingdom.

Let me encourage us all to remember these good brothers and their families in our prayers. They all have a lot of adjustments in front of them and they are going to have a lot to get used to as full-time servants of God. I know they will do well and I hope we will strive to encourage them in every way we can. Although I am very proud of all of our graduates and have made some life-long brothers and friends, I am most proud of our own brother T-Roy. How exciting it is to see one of our own who was born and who has grown up here, now completing the two years of training at the BIM. This is yet another clear evidence of God's will and the opportunity that has been made available for so many since the BIM was established in 2003. I love and appreciate T-Roy very much and couldn't be more proud of him. He comes from such a wonderful family and we are very blessed to have the Hass family as a part of our family at K.E.

Let me also say how exciting it is to know that brother Easton Hass will be joining us in August to begin his training as well. Please keep Easton and all of the future students in your prayers. God-willing, we have a very busy and bright future ahead of us at the BIM. God is so good all of the time.

Finally, let me say that it is exciting to see the new carpet going down in the hallways as the installation began on Tuesday. By next Sunday this phase of the flooring will be done. Also a big thanks to everyone who gave this last Sunday. We are getting closer and closer to our final goal and are only around \$10,000 short of having all of our flooring paid for.

I look forward to seeing you all this Wednesday for our mid-week gathering. I know you will want to be present and ready to give God your best. I love you all!

K.E. FAMILY LIFELINE

2 Timothy 2:2

And the things that you have heard from me among many witnesses, commit these to faithful men who will be able to teach others also.

Bible Institute of Missouri
2024 Graduation:

The Bible Institute of Missouri's class of 2024 will hold its graduation ceremony Saturday, May 25, 2024 at 2 O'clock in the afternoon at the Kansas Expressway church of Christ in Springfield, Missouri to honor: Tyler Bird, Roy Goddard, T-Roy Hass, Colin Lepley

Please join us in honoring our graduates.
A reception will follow in the Fellowship Hall

Elders' Corner:

There's an old saying we have heard all our lives. It is, "ACTIONS SPEAK LOUDER THAN WORDS," Some in the Lord's church today evidently believe that acting out one's faith is not necessary to "fulfill the law of Christ." They evidently believe that speaking to one another is not necessary to show love, approval, encouragement, appreciation, joy, etc. as a Christian. Can you imagine a marriage or maybe a home where no communication by words of love and appreciation are ever heard. What marriage would be successful, or a child develop properly without hearing words and seeing actions demonstrating your true feelings? The Apostle John wrote a message from God in chapter 3, verse 18: "My little children, let us not love in word or in tongue, but in deed and in truth". So, we must express our feelings by words made with our tongues and they must be followed by deeds and according to the truth. Is your love for your brothers and sisters in Christ properly shown by communication by words and deeds?

This week we will all rejoice over our brothers graduating from their two years of studies at BIM. This will be the 17th Graduating class of four brothers who have worked diligently for two academic years. These men represent one of the finest classes we have had at BIM. All four have accepted full-time works in churches throughout the Midwest as they fulfill the very purpose of the school. That is to provide faithful men to fill the pulpits of the churches who know the Word of God and how to proclaim it to the hearers. Their names are:

- Tyler Bird
T-Roy Hass
Roy Goddard
Colin Lepley

MAY GOD BLESS THEM IN THEIR MISSION TO "PREACH THE WORD!"

We want to thank the congregation for your response to the special contribution for the flooring of the church building. \$14,160 was contributed above our budget this past Sunday. So now, we are in the position to continue the next two phases of our flooring. In fact, when you come to the building, the entrance and the halls will have been completed. Words cannot express our appreciation!

Remember our members who are dealing with health problems. The Lees and Ewings are in need of encouragement as they struggle with daily health issues. Edith will have a heart procedure on June 11th in Kansas City. Others need expressions of our concern and love.

See you all at our periods of Bible Study and Worship. Let's put God first and attend them all! Isn't this what God wants of us? Love to all!
