## K.E. FAMILY LIFELINE

Hello beloved family.

It was a good day of assembly this past Sunday as God's people. Thanks to all who were present. I was encouraged by both of our worship gatherings. I appreciate the good lesson brother Brent preached in the afternoon. I also pray that we were all challenged to understand more about proper and biblical fellowship, during our morning lesson.

I also want to say that I was greatly encouraged by those who responded on Sunday. First, brother Luke came forward and asked for prayers to be a better example and influence. Luke is like a son to me and he is a fine Christian young man. Let's all pray that he will be more of the Christian that he desires for God and that he will be forgiven of any wrongs in his life. He also expressed a desire to make sure he was right with everyone else in the congregation.

We also had sister Janet come forward. She also said that she desired to be a better example and to be more of a light for God as she represents Him. She also wants to be more involved and do more for God as His faithful child. May we all pray for Janet and encourage her that she might be more of what God desires in her daily life.

Finally, in the afternoon our dear sister Jan came forward. She asked for prayers and forgiveness as she desires for there to be peace and no division in the family of God. We love sister Jan and appreciate her good spirit and the good example she is to us all. We also appreciate all the good work she does for the Lord in her daily life.

I hope that we all will do some extra soul searching this week and make sure that we are all doing what we need to do and being what we need to be for God. No doubt we all want to please our Creator, and be more of what we need for our God and others. The question is, "will we love one another as we need to and as commanded or not?" May God's will always be done in all things.

Well, I hope to see you all Wednesday for our mid-week service. I love you all and God bless.

Ray Sullins

Elders' Corner:

Hello again KE church family,

We are thankful for the opportunity we had this past week to worship together with our church family here at KE. We did have three responses this past Sunday. Luke Tebbe asked for prayers on his behalf as he considers the fellowship he has had with God and others. He requested forgiveness from others of any wrongs he may have committed that he might have proper fellowship with others and his God. Janet Whitlock requested prayers on her behalf that she might be stronger in her faith, that she might grow and become more involved in the Lord's work. She also wishes to be a good Christian influence on her family and others. Jan Green requested prayers for forgiveness for any strife she caused in the church. Jan wishes to demonstrate brotherly love for her Christian family and work for unity in the Lord's body. Please remember these individuals in your daily prayers. Continue to remember those in our congregation who are struggling with health and losses as well, Ken and Carolyn Lee, Edith Sullins, Karen Ewing.

The carpet was installed this past week in the classrooms and it really looks good. We thank Ray for his work to coordinate the installation including the clearing out of all the areas before the installation could take place as well as putting everything back into those areas when the carpet was installed. His leadership has allowed this process to transpire so smoothly.

It has been over a month since my family got back from our trip to the Ivory Coast. I am looking forward to sharing with you all our experience there. I want to do a presentation in the near future, Lord willing.

We are happy to see our youth back this past week from various camp sessions, and realize there are several other sessions left to go this summer. We pray that many lives may be touched, seeds planted, their faith may be strengthened and life long commitments made during these camp sessions. Pray the staff, counselors and directors may be blessed with great camp sessions this summer.

The Lord keep you until we meet again,

John, Jerry and David
