Bulletin

Ray’s Remarks:

This year’s VBS has been a great success. We have had a good attendance from adults this year and quite a few kids. We also have had visitors come every night which always makes VBS a great blessing. Thanks to all who have worked so hard to make it a success, especially our teachers and decorators. We love and appreciate you all and know that this VBS could not be a success without you.

I also wanted to say that we got off to a great start this week at the BIM. We had a great crowd Tuesday morning for our orientation. We even had around 10 graduates return and join us to encourage the new students as well as the returning students. It was such an encouraging day and everyone had a great time. Also, all of our new students seem to be serious and ready to study. I am looking forward to seeing their growth and getting to know this new class. I believe they are going to be another great class.

We began classes today (Wednesday). They all seem to be happy and still ready to absorb everything that is going on. Please keep all of these good brothers in your prayers as they begin their studies and as they do their best to grow in God’s Word. How wonderful it is to be involved in training so many soldiers for the cross of Jesus Christ.

Let me also say that things are really busy in Africa right now. We have had several campaigns going on in Zambia, both in Livingstone and Ndola. They are also preparing for another Gospel meeting around Syamafumba. Last week they also had a Gospel meeting in Solwezi. Great things are happening for the cause of Christ through all of our works in Zambia and those which we are connected to. The greater news is that many more precious souls have been added to the church by obedience to the gospel. Others have been restored to Christ, as well. Please keep all of these good efforts in your prayers.

Finally, let me encourage us all to keep sister Marcella in our prayers. She is improving, but still having some problems with her health over the past week. Please let her know you are thinking about her and praying for her. I know we all love her dearly.

Well, I hope to see you all tonight for the last night of VBS. I love you all and God bless!

Elders' Corner:

Greetings brethren. It is a privilege to work alongside you in the Kingdom as we strive to be "good and faithful" servants. We appreciate your willingness to be involved and to answer the call. Our goal is that we may all one day receive our eternal reward in Heaven. We remind you the elders are available any-time to discuss any questions, concerns or requests you may have.

By the time you read this, the Bible Institute of Missouri will be back in session. John and Levi will be completing their second year of studies and Easton, Coby, Christian and Isaac will be beginning their first year of training. Please keep these men, as well as the instructors, in your prayers in the coming months.

Once again, we are awed by the incredible work our members have done transforming our auditorium and foyer for VBS. "The Name of Jesus" is our theme this year and you have done an amazing job with the sheep, tomb, well, and the house we read of in Mark 2. Did you see the "lost sheep" in the auditorium? There were many who worked countless hours preparing these items for our VBS. While I know many of them, I will not attempt to list them all for fear of missing someone. I will simply say thank you to our teachers, kitchen help and those who had a part in the decorations. You all worked together to create a special time for our youngsters.

We will be manning a booth at the State Fair in Sedalia this coming Saturday, August 10th. Eight volunteers are needed, if you are interested please see John Sanders.

Our Men's Breakfast is this coming Saturday at 8 am in the Fellowship Hall. Come join us for fellowship, Bible study and a good breakfast. There is a signup sheet in the foyer.

We rejoice that sister Marcella has been able to return home after being hospitalized. Keep her in your prayers as well as the Martins, the Lees, Edith Sullins, Harry Clouse, Rose Mary Medley, Mary Patchell and all those on our prayer list.

We look forward to seeing you at our next scheduled service.
