Bulletin

Ray’s Remarks:

Hello brothers and sisters,

I hope this week is off to another great start. I also hope and pray that we are all taking the necessary time to do God’s will and to be lights in our community for our Creator. We all certainly have every reason to love God and put Him first.

Well, starting this Sunday I will be in a Gospel Meeting at Bergman church of Christ in Arkansas. A dear brother in Christ of mine, named Vince Stewart contacted me earlier this year and asked if I would be willing to come for a Gospel meeting. This is also the congregation where brother Evan Welch used to preach after he graduated from school. I am very excited about being there with these good brethren. We will be considering a series of lessons on the Holy Spirit by request from them. I think the lessons will be available on Facebook and obviously anyone who is interested and able can join us any night for the meeting. By the way, this congregation is only about 15 minutes or so from where Trey and Ruth use to be in Omaha, Arkansas. Please keep me and this upcoming meeting in your prayers that God might be glorified in all things and that His will might be proclaimed. I will miss being with you all this Sunday.

I also wanted to say how exciting it is to see the good work our current students are doing at the BIM. They are really focused and committed to their work and I am proud of them all. Continue to pray for them all as they gain more knowledge of God’s word and as they learn to cope with and endure all of the new studies.

Yesterday, I was also told of another Gospel Meeting which some of our graduates participated and helped with. They had six baptisms as a result of the work that was done and the preaching which took place. Praise be to God.

Well, I hope to see you Wednesday for our next opportunity to gather for a study and growth in God’s word. I know you all will want to be a part. I love you all and encourage us all to always put God first in all things, knowing that those who do so will never regret it. Praise be to God for His wondrous love and promises.

Elders' Corner:

The summer is almost over. It was a summer filled with activities for families to have a break from the regular schedule when our children are schooling. Now that we are back to the time of focusing on a different pace in life, we have challenges as children of God to fulfill His will in every phase of our lives. The Apostle Paul said, "Therefore my beloved brethren, be steadfast immovable, always abounding in the work of the Lord, knowing that your labor is not in vain in the Lord". I Corinthians, 15:58 May God bless us all in our efforts to serve Him.

Our Fall series of Bible Studies at BIM start on Tuesday night, August 27. The theme is: The Sermon on the Mount. Why not attend in person and encourage the speakers and those who come. As always, it can be viewed online.

Our fall meeting is coming up. This year Brother Adam Orr will be holding our meeting which will be held during the dates of September 29 - October 2. Make plans now to attend and bring others with you.

John Martin is needing our prayers concerning his health as is sister Marcella Wake who is doing better but is still needing our prayers. Caroline and Ken Lee need prayers. Others are listed in this bulletin. Don't forget to commit in prayer concerning all those who are mentioned. Cards and visits are welcomed in most cases.

Brent Green and Trey Sullins will be leaving in early September to visit our school in Ghana. Pray for their safe journey.

Hope to see you all at all our Bible Studies and Worship periods. What could be more important?

Jerry, David and John
