Ray's Remarks:

Hello brethren!

I hope you are all well this week. I missed seeing you all last Sunday but I have had a great time of fellowship and growth with the Bergman church of Christ in Bergman, Arkansas. We have had good attendance and have had a good study on the Holy Spirit. I believe we have all been encouraged through our time together and tonight (Wednesday) is our last night of the meeting.

I have also had the opportunity to see some of our old church family while at Bergman. Some familiar faces who now live in that area came by to worship with us and it was a great encouragement to see them. I also got to see several of our former graduates from the Bible Institute of Missouri, who also live in that area, who came and visited with us at the meeting. It has certainly been a great and uplifting time with the brethren in Bergman. It is such a wonderful thing to go to new places and to meet new brethren and to enjoy our true fellowship in Jesus Christ our Lord.

I also wanted to say that I was proud of the Christians in that area who supported the meeting. It was refreshing to see how many Christians joined us from surrounding churches and how well they supported one another in an opportunity to fellowship planned by a sister congregation. I wish we had more of this in the Springfield area and I wish that we were all involved more in such times of study and growth.

Brethren, let me encourage us all to be more involved in such times like this. I hope we all never become too busy to give more time to God and to visit with other congregations and to encourage them and to be encouraged in our opportunity to grow together and study God's perfect word. I think most of us have forgotten how important times like this are and how much good they would do us all. So, let's all think about more about such opportunities and then organize ourselves to take advantage of them.

Well, I look forward to seeing you all this coming Lord's day. Until then, remember who you are as God's Child and always serve Him and give Him your best. I love you all!

Elders’ Corner:

Greetings brethren,

It is a privilege to work alongside you in the Kingdom as we strive to be “good and faithful” servants. We appreciate your willingness to be involved and to answer the call. Our goal is that we may all one day receive our eternal reward in Heaven.

Recently I was reminded of the impact this congregation has on the Lord’s Kingdom in Southwest Missouri. Julie and I worshipped with the congregations at Curry Street and Gospel Hill this past Sunday. Our upcoming Ladies’ Day program was promoted at both congregations. Our Living Word television program was listed prominently in Curry Street’s bulletin. I saw a bulletin board devoted to the Global Schools at Gospel Hill. And finally, I heard a sermon from one of our Bible Institute of Missouri graduates at Curry Street – Brendan Carr. This congregation is responsible for many good works. Let us not grow weary in doing good and working in the Kingdom. Be proud of the impact this congregation has on the brotherhood. Paul wrote in Ephesians 1:16 that he “did not cease to give thanks” for the saints in Ephesus. We feel the same way about the membership here and thank God for your willingness to serve in the Kingdom and be an example to those in the area.

Remember that our Tuesday evening classes begin this week and continue through early December. They begin at 7 pm and will be covering the Sermon on the Mount. You can attend in person at the BIM or join online. If you are unable to attend, archived lessons will be available on YouTube and Facebook.

Brent and Trey will be leaving for Ghana September 3rd, keep them in your prayers as they work with the Missouri Institute of Biblical Studies, Ghana. Our Ladies’ Day is coming up soon; and will take place on Saturday September 14. Shanna Stewart will be the speaker and “Climbing Life’s Mountains” is the theme. Ladies – please make plans to attend and invite your friends and family.

Remember our sick in your prayers – Mary Sanders was on the road with her family Tuesday when she experienced a lot of confusion—She is in the hospital in Hot Springs hoping to head back home tomorrow (Thursday). Also remember Marcella Wake, Rose Mary Medley, Mildred Riley, Edith Sullins, Carolyn Lee, Mary Patchell and others facing daily challenges with their health. They all need your prayers and encouragement on a daily basis.

We look forward to seeing you at our next scheduled assembly.

David, John and Jerry
