Ray's Remarks:

Well, I hope you all are having a blessed week. The weather sure has been nice and cooler. I always notice that this seem to make everyone happy and in better spirits. We are almost to the season of fall, which will be a very beautiful time of the year.

Well, Trey and Brent got off safely to Ghana as 6:00 a.m. Tuesday morning. Now they are already in Kumasi and at the school and their travels went well. Thanks for all the prayers for them. They will now have two weeks worth of teaching and encouragement. I know the teachers and students in Ghana are very happy to see them and have them there. Continue to pray that their stay will be safe and profitable in every way.

I also wanted to remind you that Dad and I will be leaving for Zambia on September 24<sup>th</sup>. We are going to Zambia for the graduation of our Uganda class who finished their training there. We will also have a graduate seminar while there from Monday to Thursday. We expect that we will have over 100 graduates return for this time of renew and growth. Please keep all of these plans and preparation in your prayers, that in all things God's will shall be done and God will be glorified.

It's hard to believe that we are already in the month of September, but we are, and that means our Ladies' Day is just around the corner. I hope all of our ladies are making preparations to be present. I hope you all have a great crowd to study, grow and to fellowship in the Word of God. Let's all continue to pray for a complete success with this program.

I also wanted to remind you that the Tuesday night classes have started back. I don't think we have had as good a turn out this year, so far as those who are attending or watching online. Please make plans to join us in this study yourselves, but also help us spread the word and tell others about this opportunity to study God's Word. We have a great topic this fall, which focuses on great truths from the sermon on the mount. Won't you be a part!

Finally, let me remind you that we always have many on our prayer list. Please make sure and check the prayer list and keep all these individuals in prayer. Especially sister Mary Sanders as she is going for a follow-up visit with her doctor locally on the health issue she had last weekend. May God be with her and those who are caring for her.

I also wanted to let you know that little Atticus will be having some ear tubes put in on Friday. Please pray for him that the surgery will go well and that he will be safe. He has been struggling with some ear issues for some time now.

Well, I hope to see you all tonight for our mid-week service. May God bless us all as we strive to do His will and put Him first in all things. I love you all!

Ray Sullins

## Elders’ Corner:

Greeting church family,

As I write this article, my thoughts and prayers are with our brothers Brent Green and Trey Sullins. They are flying over-night Tuesday night and will be in Ghana Wednesday some-time, Lord willing. I admire the commitment of these brothers, who are spending two weeks away from their wives and children and away from their church families, to teach the preacher students at the school there in Ghana. How beautiful are the feet of those who preach the good news (Rom 10:15), and Brent and Trey are teaching the students there in Ghana so that they might go out into their country and spread that gospel. We should all thank the Lord for their service. Shortly after they return, Ray and Jerry will be leaving, and our thoughts will be with them as they journey to Africa. Let’s remember to pray for the Lord’s church in Africa and for the work we are involved in to spread the gospel through the faithful preacher students currently in school (2 Tim 2:2).

Ladies’ Day is almost here. Saturday September 14 will be our first one at KE in some time. We hope our ladies will take advantage of this meeting, and we hope it will be a faith-strengthening and encouraging day for the ladies who attend. I think it shows our true Christian spirits when we all work together to organize, plan, prepare, and conduct such events as the Ladies’ Day and VBS. I look forward to hearing about the day from the ladies after it is concluded.

Please remember our brothers and sisters who are on our prayer list. We continue to pray with and for Mary Sanders, as they determine how to best help her. Remember Ken and Carolyn Lee. Let’s also remember to pray for Roy and Shannon as they prepare for Roy’s new work in Nebraska, and also as they prepare for their baby to arrive. Remember our brother T-Roy as he has been in his work in Blue Springs for just over a month now.

I will take this opportunity to mention that we will have a Men’s meeting on Sunday, September 15 after the afternoon services. The elders encourage the men of the congregation to attend this meeting, if possible.

May the Lord keep you till we meet again,

John, Jerry and David
