Elders' Corner:

Greeting church family,

Similar to the last article I wrote, my thoughts and prayers are with our brothers Jerry and Ray Sullins. They, like Trey and Brent, are flying overnight Tuesday night and will be in Zambia sometime on Wednesday, Lord willing. Please remember them in your prayers, that their trip might be profitable, that they might have safe travels there and back, and that their preacher seminar will be encouraging and the Lord's word will be taught to faithful preachers there in Africa. I admire the commitment of Ray and Jerry, for the work they have done to establish these schools, to run and maintain those schools for decades. The Lord has been gracious, allowing Jerry and Ray to labor in the kingdom with such success, but it comes at the expense of spending weeks away from their families and away from their church families, to conduct the Lord's work in Africa. We should all thank the Lord for their service. Let's pray for the Lord's church in Africa and for the preacher schools in Zambia, Uganda, Ghana, and Kenya.

Our Gospel meeting starts this Sunday September 29 and will continue each night through Wednesday Oct 2. Please take advantage of this opportunity to be fed spiritually as we hear Adam Orr conduct our gospel meeting that is centered around the theme "Saving the Saints".

I'll also mention at this time that in a few weeks, a group of us will be attending the homeschool bible camp for Christian families at Little Prairie Bible Camp on Wednesday October 9 through Saturday October 12. This camp is codirected by Seth Hass and a brother from the St. Louis area, Matt Stewart. The camp is an encouraging time for our homeschooling families, allowing us to fellowship with one another, study God's word together and allows our families to build important friendship bonds with fellow Christians. We are anticipating one of our largest groups this year. The theme is "God's Goodness to All Generation-Psalms 145 and 146". We thank Seth for his work to organize and conduct this valuable camp session for our homeschoolers.

May the Lord keep you till we meet again,

John, Jerry and David
