Ray's Remarks:

K.E. FAMILY LIFELINE

Greetings from Zambia. Dad and I are doing well in Livingstone and so far the trip is a great success. So far, we have successfully had the graduation for the Uganda Students. Everything went really well last Saturday and we also went out for a graduation dinner after the ceremony. The Ugandan brothers were very excited about graduating and they are looking forward to heading home this Friday.

We also began our graduate seminar today which will go through Thursday. We have over 85 present so far and more are supposed to be arriving tomorrow. It is such a blessing to see these men who we have not seen in many, many years. We are definitely having a great time of fellowship and growth together. I know we will all return to our homes stronger for God and more willing to accomplish His perfect will.

I was excited to hear that the Fall Gospel Meeting got off to a great start with Adam. I knew he would do an excellent job and I know that you all are enjoying his messages from God's Word. We love and appreciate him and his family so much. It was such a blessing to have them come and join us for the fall meeting. I know you are all being encouraged and strengthened as well to have this time of spiritual feasting. I wish I could be there to enjoy this time with you all.

One thing about Zambia and this trip, is the heat. We have had temperatures running right about 100 degrees and there is plenty of humidity from the falls. This is not even the hottest time of the year and yet it is a scorcher. The extreme heat has also caused some famine in some parts of Zambia. We are learning about the severity of this problem from our visiting graduates.

Please keep us all in your prayers as we continue the good work here. Then this Friday, we will be heading to Ndola for several days to encourage the brethren in the school there. Meanwhile, we love and miss you all. Lord willing we will see you all Sunday, October 13; although we should be back in the USA on October 11.

May God bless us all as we do His will and put Him first in all things.

Ray Sullins

### Thank You:

Hi, I wanted to say thank-you. My 5 year old granddaughter had surgery at Cox South Surgery Center on the 9th of Sept. They have her the cutest little pink elephant to help calm her nerves. She hugged it so much, named it Mac and Cheese. I just wanted to say thank-you. May God Bless each of you.

## Change Is in the Air

Change is in the air. We gladly leave the dog days of summer and ease into the autumn season with its fall colors and cooler temperatures. It is a favorite time of year for many, especially our hunters who have been eagerly getting food plots and hunting blinds ready. It is time to gather wood for the stove and rake the leaves in the yard. However, with the changing of the season comes some not so pleasant activities. In some areas like our own, it is time to pay personal property tax. For many businesses it is the end of the fiscal year which means inventory and looking at the bottom line. As November approaches, it is election time in our country. Election cycles can cause much anxiety for some people, especially Christian voters. Not only are we concerned about economic issues, national security, and foreign affairs, but most importantly the moral direction of our nation. So, what can one do to alleviate the apprehension of leadership change?

First, we must realize that God is always in control. **“Blessed be the name of God forever and ever, for wisdom and might are His. And He changes the times and the seasons; He removes kings and raises up kings; He gives wisdom to the wise and knowledge to those who have understanding.”** (Daniel 2:20-21)

Secondly, we have direct access to the One who controls it all. **“Be anxious for nothing, but in everything by prayer and supplication, with thanksgiving, let your requests be made known to God.”** (Philippians 4:6) Let us continue to pray for our country, her leadership, and that God's will be done.
