Ray’s Remarks:

K.E. FAMILY LIFELINE

Hello dear brethren from Zambia!

I hope you all are well and doing well. We have sure missed everyone and Lord willing we look forward to seeing you all this coming Lord’s Day. We really appreciate all the prayers from you all while we have been gone. It is certainly a blessing to be a part of our church family at Kansas Expressway.

Today is Tuesday, and this week we are finishing up our days in Ndola, Zambia. Everything has gone well here and it has been great to spend some time with the teachers and students here. The school here is really doing a great job training men to preach. We are very proud of the good success of the school.

Dad and I were able to teach class and we also enjoy spending chapel with the students. It was a great time of fellowship, encouragement and fun. The new church here is also going well and it is exciting to see that it is already growing and that many have already obeyed the gospel.

We were also able to find a new place for the church to meet not far from the school. This will give the church a separate place of their own. I know there is going to be many great things happening in the near future in Ndola for the sake of the Lord. Please continue to pray for the good work here as God continues to richly bless it.

Our journey home begins tomorrow. We leave Ndola and go back to Livingstone. Then on Thursday we fly down to South Africa where we board the plane for the USA. We are obviously excited about coming home soon and seeing all of our family, both physical and spiritual. Please pray for Dad and me as we start our journey home that we might have a safe and uneventful journey home to you all!

Well, I hope you all have a great week and that God will continue to bless us all as we put Him first, do His will, and serve Him in all things. I love you all!

Elders' Corner:

Greetings church family, I hope things are going well for you. It is fall, the temperatures are cooling off. Time to start putting on those jackets and long sleeve shirts. Being clothed appropriately for the weather will keep us comfortable. I hope that regardless of the season, we are always clothing ourselves with our Christianity (Gal 3:27, Rom 13:14). Whether at home, at work, out and about running errands, or at church services, we should put on Christ, that others may see our faith and know we are Christians.

I know we are all excited to see Jerry and Ray return from Africa on Friday Oct 11. It sounds like they had a great graduation as well as a great seminar with the preacher students. We look forward to hearing about their trip as well as Brent and Trey's trip to the schools in Africa.

Don't forget our announcement about looking for additional men to serve in leadership roles here at KE. We are looking for additional elders and deacons. If you feel qualified and have a desire to serve, please let one of us elders know. If you have a suggestion of someone who you believe is qualified to serve in one of these roles, please pass that name along to one of us elders as well. We are collecting names over the next week, so please reach out to us soon.

As I have mentioned before, some of us will be heading to Little Prairie Bible camp Wednesday Oct 9 through Saturday Oct 12 for the annual homeschool bible camp. I am anticipating some rather large bon fires and some great campfire singing. I wanted to let you all know that my family and I will be heading out of town for a camping trip after Little Prairie Bible camp, so we will be missing the next couple of Sundays beside the Wednesday night study.

God bless you till we meet again,

John, Jerry and David
