Bulletin

Ray's Remarks:

Hello dear brethren!

I hope you all are well and that you are getting everything done for the holidays. I was working on something the other day and realized that yet another month is almost over and more than that, even another year. It won't be long before we are writing 2025 on things and another year will have started and another will be history. I hope and pray that 2025 will be another great year for us all in the service of our Lord.

We look forward to seeing many of you at our holiday parties this coming weekend. It is a great blessing every year to have you all in our home. We always try to give several opportunities and dates for you all to come in case one night doesn't work out you hopefully can come to the other. Over the years we have had so many of you in our home and it is always a great privilege to do so. Some of you haven't been in years, so I would ask you to try to join us on Friday or Saturday for some fun and fellowship. I can assure you a great time will be had by all.

I am also excited to see that the youth will be having a get together at the Sanders house. I appreciate them hosting it this year and I know our young people and those who go will have a great time.

You know it is a real blessing to share together in such time of fellowship and fun. There are few things as fun as being with our brothers and sisters and having good clean fun as fellow Christians. Please take advantage of one of these gatherings if you are able. You will not regret it.

Dad and I had a great trip to North Carolina last weekend. We were able to be with a congregation that has been supporting the Zambia work since 1988. In fact it is one of the original supporters of the overall work. The brethren there in Clemmons were certainly kind and it was a great blessing to be with them all. They seem committed to continue their support and are even considering other needs or assistance as well. Thank God for good brethren and congregations like this which make our work possible.

Well, I hope to see you all tonight for our mid-week service. What a wonderful time it will be to join with our loved ones in worshipping God. May God bless us all as we strive to do His Perfect Will. I love you all.

HOLIDAY BASKETS

Holiday Baskets will be assembled Sunday, December 15th between services in the Fellowship Hall. A sign-up sheet for items to bring is on the foyer table. We also need people to deliver them. We are preparing 25-30 boxes. Please see Brenda Hyde for more information.

Elders' Corner:

Greetings brethren. We hope this message finds you well. As was announced Sunday, the elders are considering using off-duty law enforcement officers to assist with the security of the building on Sundays. This would have a cost of approximately \$200 a Sunday. The officer would be present for Bible class and both services. We currently have two of our members working security at each service. Bringing in an officer would allow one of those men to attend class and services on Sundays. No decision has been made yet and we would appreciate your input on this topic.

Jerry and Ray returned safely from North Carolina Monday evening. They had a productive trip and were able to update a long-time supporter of the Zambia work. We thank God for their safe travels.

Remember Pat McCarty and her family in your prayers. Pat has returned home on hospice care after her hospitalization. As we know, Pat received a serious cancer diagnosis recently. Keep Pat, Larry, Mark, Pam and the rest of her family in your daily prayers. The family asks that you contact Larry before visiting. The Lees, the Martins and sister Edith are also in need of our continuing prayers as they face daily health challenges. Remember the Medley family as they mourn the passing of Rose Mary's brother, Mark McClure last week.

The Holiday Parties at Ray and Cindy's house are this coming Friday and Saturday evenings. There is a sign-up sheet on the foyer table if you can attend. There will a Youth/College-age Holiday Party at the Sanders' home on Saturday at noon. You can sign up on the GroupMe app. Finally, we will be assembling and delivering Holiday Baskets for our older members this Sunday between services. There is a sign up sheet for needed items in the foyer.

May God bless us and lead us as we close out 2024 and prepare for 2025.

David, John and Jerry
